MSU Extension offers free “Home Ownership” series

MSU Extension is offering the 3-part workshop *Home Ownership* on three Tuesday evenings in January and February 2012.

Home Ownership will focus on consumer protection during the home buying process. Learn to:

- Effectively select and finance a home,
- Hire the right real estate agent, lawyer, home inspector and lender, and
- Understand the closing process.

Invest in your homeownership success. Research has shown that people who attend pre-purchase housing counseling or education are more likely to make on-time payments on their mortgage and are less likely to default on their loans.

Attend this series on January 24, 31 & February 7, 2012 from 6:30 to 8:30 p.m. at the Warren City Hall, Conference Room, 1 City Square, Warren.

This workshop is free of cost and open to the public. For more information or to register, please call 586-469-7614.
